Certificate of Appropriateness:

1260 E. Walnut Street – Mr. Antonio Serrano, 6549 South Farm Road 189, last month the garage was approved, but the location needs to be moved to due to large trees being in the way and would relocate to the west side of the building with a retaining wall that will match the house brick as well as rehab the front porch columns and steps with similar building materials.

Discussion on the style of the porch and corbels by various members with Mr. Serrano and noted the Italianate style.
