Subject: Meeting is Cancelled for Tomorrow

Importance: High

Hello all-

We will not be meeting tomorrow for the Mayor's Commission for Children monthly meeting. Amy St. John, from Springfield Public Schools Data Management Director will be presenting May 12th at 8 am at our next MCC meeting. She was gracious to move to next month's agenda. We will determine location at a later time when it is closer to meeting. Amy has capability to make it a virtual presentation-so we may be utilizing that option.

Miss seeing everyone. Stay healthy and safe.

Brigitte
