5. STAFF REPORTS

- Discussion of the Design and Content of Business Cards

Taj recommended a single email address on the business cards that the commissioners will have access to. Pamela suggested leaving individual emails off the business cards but would like the idea of one central email for tracking purposes. Judy recommended waiting on business cards until everything is resolved and decided on as a group. Another option was recommended of having a generic business card and commissioners can write their name on the back. Taj believes a generic business card will be faster to complete.

- Discussion of the Design and Cost Estimates for Shirts

Judy presented a possible new color for the logo to go on the shirts.

Edna motioned to discuss accepting this logo, which would be applied to white polo shirts. Pamela seconded the motion. Mike opened the discussion to adopt this color and composition of the logo and that it be applied to a white polo.

Edna withdrew her original motion.

Chase motioned to modify the logo to remove the center design and replace it with the City logo but retain the wording and blue City coloring. Pamela seconded the motion. Motion was approved (5-0, Bob Roberts and Kelly Fender absent).

The discussion for the type and color of shirt will be tabled until the next meeting to give time for the logo to be finalized.
