1. The Springfield-Greene County Park Board members were invited guests of the Springfield Art Museum Board. The Art Museum Board presented their proposed Master Plan, which had implications for Phelps Grove Park, Perry Tennis Court area, and the Phelps Grove neighborhood. Nick Nelson, Art Museum Director, went over specifics of their plan and much discussion ensued between both boards and staff. Those Park Board members in attendance expressed a general level of support and excitement regarding the proposed plan, although no formal Board action was taken at this time.
