Virtual Meeting Protocols and Process

The Solid Waste Management District O board meeting will be conducted in person at the District O offices, 205 Park Central East, Suite 205, Springfield and virtually via Zoom. District O encourages public participation in its meetings.

To participate virtually in the District O board meeting, which begins at 9:30 a.m., you have the following options:

1. Watch the meeting and participate during the public portion of the hearing using Zoom:

For the District O board meeting, please use the meeting link

<https://zoom.us/j/98784271081?pwd=9yzzBKGrUESht4wsnE5DWnv9GnNuKp.1> to virtually attend and watch the meeting by computer, tablet, or smartphone. You may be prompted to download the free Zoom app. In the event you encounter difficulties in participating, please check the District O website for any updated information. The Executive Director will have the ability to mute any participants deemed to be out of order.

When you join the meeting your microphone, or your ability to be heard by all the other participants, will be muted. There is a feature within the software that allows you to “raise your hand” so the host of the meeting can call upon you to speak. This must be done so that there are no distractions or disruptions to the meeting from accidental or intentional background noise.

2. Join the meeting via phone:

You may join the meeting from your phone by dialing the number above and then enter the meeting ID and Passcode. Staff will mute your audio so that your voice will not be heard until there is an open time to speak. At that time staff will unmute telephone participants and those wishing to speak to an issue should speak up so staff can identify them. *To be able to more clearly let staff know when you wish to speak on a topic we recommend using the web version of Zoom which will allow you to “raise your hand” virtually and indicate to staff your intention to speak.*
